➤ Great ways to say 'Thanks'
at a price to suit your budget

05

*"We gave Tony a course of
golf lessons - the ideal way
to kick start his retirement"*

Nicola Healey, Director

Recognising the contribution of your employees is essential to the success of your business, and nothing says 'thank you' like the chance to fulfil a dream of a lifetime. Perhaps you're looking for a long service award, a retirement gift or a target-related bonus?

Our vast selection of activities ranges from hot air ballooning to sailing and includes everything in between, right up to an exclusive MiG flight to the edge of space or driving a Formula 1 car on a top European circuit. The perfect gift to suit your budget is here.

09

"I couldn't believe what we achieved as a team"

Jessica Robbins, Purchasing Manager

Team Building is an important part of company culture and a fantastic way to improve morale and productivity. For a fresh approach why not consider having your team crew a round-the-world yacht? Or perhaps Formula 1 karting at a top UK venue? Or why not turn expert wine tasting into a competitive challenge?

Whichever activity you choose, we have a proven track record in creating events that will keep your staff working as a team long after they've returned to the office.

Sandy Norton, Financial Services Manager

Get wet and wild, or enjoy a taste of luxury boating with Experience More's extensive range of water-based experiences.

More Flying

18  Get a unique taste of the high life

19

"We couldn't believe the views from the glider - our customers loved it!"

Jack Alvis, Operations Director

The perfect reward for high flyers, let them take to the skies on one of our exhilarating experiences. You might like the idea of microlighting, or a trip in a helicopter, or you may be tempted by one of our ultimate events, like experiencing the weightlessness of space in a zero-gravity flight in the USA.

How about looping the loop in an aerobatic aircraft or soaring over London, taking in the sights on a pleasure flight? From jets to the edge of space to Tiger Moths, we have it covered. It's never been so easy to give someone a taste of the high life.

More Relaxation

20 ↘ Classic experiences for anyone looking to unwind in style

21

"Total Bliss"

Anna Hillman, PR Assistant

What better way to reward your hard-working staff or valued customers than with some pampering at one of the UK's top health spas?

Michael Saunders, Corporate Lawyer

We have an unbeatable selection of once in a lifetime experiences ranging from MiG flights to the edge of space to journeys to the bottom of the ocean and covering everything in between. Even your wildest dreams are possible.

How about a trip to the North Pole on an ice breaker or our Top Gun dog-fighting experience? Maybe a London theatre break or perhaps a spot of whale-watching in the Bay of Biscay. What beats a dive down to the Titanic or a husky dog sled ride in Sweden?

Coming back down to Earth you could opt for producing your own pop video, a cookery class with Jean Christophe Novelli, learning to gamble casino style, or even experiencing a haircut from a celebrity stylist. The list is endless, and we look forward to helping make your dreams come true.
